

June 4, 2018

The Toa Reinsurance Company, Limited

Information Regarding Our Website Change to Always-on SSL (HTTPS)

The Toa Reinsurance Company, Ltd. plans to change its entire website to Always-on SSL (HTTPS) from June 15, 2018, in order to allow users to make use of our website even more securely.

Always-on SSL aims to achieve even more security for users by turning on HTTPS (a form of communications encryption) for every page of our website.

Current Address: <http://www.toare.co.jp/english>

New Address: <https://www.toare.co.jp/english>

Note: Users who attempt to access pages using the current addresses will be redirected to the new addresses.
